

AGREEMENT BOND

The agreement is made on this _____ day of the month _____ of the year two thousand eight, between the Governor of Goa (hereinafter called the “Government”) of the ONE PART and Shri. _____

_____ major in age, son of Shri. _____ resident of _____ (here in after called the ‘Beneficiary’) which expression shall unless repugnant to the context of meaning thereof shall be deemed to mean and include his/her heirs, legal representatives, executors and administrators of the SECOND PART.

Whereas, the Government has formulated a Scheme for growing green fodder for improving dairy development referred to as **“INCENTIVE FOR GREEN FODDER CULTIVATION FOR PERENNIAL AND SEASONAL FODDER DEVELOPMENT IN THE STATE”**.

And whereas, the Applicant has applied for incentive for green fodder cultivation to grow perennial/seasonal fodder on an area of _____ Sq. meters of land surveyed under Survey No..... and sub division no situated at village _____ of taluka _____ District _____ Goa.

And whereas Government after scrutinizing the application has agreed to allot the required facilities to the Applicant, who shall be hereinafter, called as the “Beneficiary”). This agreement shall therefore witnessed as under:-

Now, therefore, this agreement witnesses and the parties hereto mutually agree as follows:-

1. That, in consideration of the Government approving request of the applicant, the Beneficiary shall be bound by conditions herein after mentioned.
2. The Beneficiary shall follow and abide by the instructions or rules and regulations appended to in the guidelines, and any changes made thereafter required from time to time by the Government.
3. The Beneficiary shall prepare the land and complete the cultivation in the proposed land within a period of two months after receipt of initial approval letter from the Director, Animal Husbandry & Veterinary Services, which shall be confirmed and supervised by the concerned Veterinary Officer/Assistant Director of the Department.
4. The Beneficiary shall in case of perennial cultivation take a minimum of two fodder cuttings in a year after the first cultivation and the same

area has to be continued for the cultivation for a further period of three years.

5. The Beneficiary shall permit the first Party or any of its designated Officers to inspect and verify the progress of the cultivation at all times during the pendency of the agreement.
6. The Beneficiary shall cut/harvest the cultivated fodder at the age of beginning of flowering before allowing the formation of seeds to the plant with intimation to the local Veterinary Officer/Assistant Director of his jurisdiction.
7. The Government shall have the right to terminate the agreement at any time in case of any discrepancies/non-performance /misrepresentation after giving one months notice to the Beneficiary. In case of third party claim on the land of the Beneficiary the Surety shall be held solely responsible for the claim on the land proposed to be cultivated for any claim that may be made by a Second Party on the said land.
8. In such case of default to any of the clauses or conditions as mentioned in this agreement or as envisaged in the Scheme the beneficiary will have to return the entire subsidy availed by him/her together with any damages that may have been caused to the Government. In case of default in payment the Government shall recover all dues from the Beneficiary or the Surety under this Agreement as arrears of Land Revenue.
9. The Beneficiary shall be bound by this agreement for a period of three years from the time of signing of this Agreement.
10. The stamp duty on this agreement shall be borne by the Beneficiary.
11. In witness whereof the parties hereto have set their respective hands on the _____ day and year _____.

INSPECTION REPORT

Certified that I have personally visited the site of proposed plot of land for green fodder cultivation and found that the information given above is correct and that the beneficiary is having the irrigation/water supply facilities for the proposed land area under cultivation and hence the proposal is recommended for incentive benefit under perennial green fodder/seasonal fodder cultivation. All the records of green fodder cultivation such as follow-up of inspections of fodder plots, the exact area of cultivated land, period of fodder cultivation etc will be maintained in this office register.

I am satisfied/not satisfied with the area and location of plot. I recommend/not recommend the project.
