Notification

14-9-AH/Stray Cattle/2021-22/2686

The Goa Stray Cattle Management Scheme, 2013 (Amended)

Whereas, the Government of Goa deems it expedient to amend the scheme for the purpose of making the scheme more viable. Although the scheme was started in 2015, very few Agencies had applied for the same, as facilities for the operation of the scheme were not adequate.

Now therefore, the proposed amendments in the scheme are as follows:-

1. *Short title and commencement.*— (1) This Scheme may be called “The Goa Stray Cattle Management Scheme, 2013 (Amended)”.

(2) It shall come into force with effect from the date of its publication in the Official Gazette.

2. *Introduction.*— The Government of Goa is concerned about the stray cattle menace which is causing traffic obstruction, deaths due to accidents on roads, agricultural damage and invasion of the touristic places like beaches. The traffic on Goa’s roads is ever increasing and with it the road accidents are on the increase. It is observed that several of the road accidents are caused due to direct vehicular hits to the animals or because the driver of the vehicle had to turn to avoid hitting the animals on the road. Animals on the road are accident prone and pose much problems during the night when visibility becomes poor and movement of traffic goes faster.

The animals not only get injured or killed but invariably involve human beings getting injured or even killed in the accidents. It is desirable that animals are not found roaming freely on the roads and near wayside garbage bins etc.

Goa being a tourist destination, the stray animals on the beaches and wayside give an ugly picture of Goa. These animals should be shifted to a place where they can be better looked after rather than being left to go about as scavengers and be a nuisance to tourists.

Agriculture today is on the decline. The few enthusiastic farmers who still would like to pursue agriculture have to spend large amount of money to fence their agricultural crops so as to prevent stray animals from destroying their standing crops.

To overcome this nuisance on the roads, to improve the image of the State and to help encourage agriculture, a Scheme has to be formulated to control the stray animal menace

by appointing an agency to impound the stray cattle on the roads.

The Scheme envisages the impounding of the stray cattle and transporting them by specialized vehicle to the Cattle Pound where arrangements will be made to look after the animals.

To make the Scheme citizen centric, the Scheme encourages the citizens to inform the Corporation of the City of Panaji, Municipalities, Panchayats, AWOs, Goshalas and Civic & Consumer Forums (CCF)/Person/Individual nominated by respective organizations on mobile about the presence of the stray cattle in their area, the mobile number shall be widely publicized and displayed at all the Municipalities, Panchayats and public places.

3. Objectives.—

(a) To ensure removal of stray cattle from public areas without injuring them and carry them safely to a place where they will be fed properly and looked after in a humane manner.

(b) To make farmers responsible for tethering their own animals.

(c) To ensure that animals on grazing be accompanied by a responsible shepherd/owner.

(d) To ensure agriculture is not damaged by stray cattle.

(e) To reduce traffic accidents and blockades due to stray cattle on the roads.

(f) Facilitate stray cattle vaccination and disease control.

(g) Facilitate Natural selection of our Non-descript Local cows and upgrade the same by cross-breeding with Indigenous breed.

(h) To promote Organic farming by generation of processed Farmyard Manure at these Cattle pounds/Goshalas.

Directorate of Technical Education

—
NotificationDTE/DJ-GIFT/EDUCATION SCHEME
2021-22/448

Government of Goa has approved the implementation of Diamond Jubilee Government Investment for Technical Education Scheme (DJ-GIFT Education Scheme) to incentivise students' enrolment in Technical Degree/Diploma Institutions in the State of Goa.

Diamond Jubilee - Government Investment for
Technical Education Scheme1. *Short title and commencement.*—

1.1. This Scheme shall be titled as “Diamond Jubilee-Government Investment for Technical Education Scheme”, or in short, “DJ-GIFT Education Scheme”.

1.2. The scheme shall come into force from the date of its publication in the Official Gazette.

2. *Objectives of the scheme.*—

2.1. Technical Education contributes significantly to the socio-economic growth and development of the State recognizing the fact that higher fees charged for technical education courses in comparison to general courses could be a major factor dissuading capable, eligible students from pursuing technical education courses, thereby leading to a declining trend in students seeking admissions to technical courses.

2.2. In view of the above, the Government seeks to partially alleviate this financial burden on students and their parents, by way of providing financial assistance towards fees payable for technical education courses.

2.3. The financial assistance provided under the scheme shall encourage and facilitate more Goan students to enroll and avail technical education and training, thereby enhancing their employment potential, and consequent contribution to the State economy.

3. *Details of the scheme.*—

3.1. The beneficiaries will pay a Base Fee to be notified by the Directorate of Technical Education from time to time. The Government will bear the amount equal to sum of Tuition Fee & Development Fee minus the Base Fees.

3.2. The Base Fee shall be notified for a batch to be admitted in each academic year. This Base Fee, once fixed, shall remain the same for the entire duration of the Programme/Course enrolled for, by the students of that batch.

3.3. Base Fee will be reviewed and revised by the Government for each admission batch year, and notified at the time of admission.

3.4. In addition to the Base Fee, admitted students need to pay all other fees, as applicable except Tuition Fees and Development Fees.

3.5. Payable amount will be directly released to the private institutions listed at para 4 of this scheme, at the time of admissions, and thereafter, at the beginning of every semester.

4. *To be eligible under this scheme.*—

4.1. A student should be admitted under General, SC, ST, OBC, PWD, EWS, FF categories and management quota seats, as per the prospectus for admissions, issued by Directorate of Technical Education, Government of Goa.

4.2. A student should be enrolled for Technical Degree/Diploma courses in the

following institutions in the State of Goa, from the academic year 2021-22:

Goa College of Engineering, Farmagudi.

Goa College of Pharmacy.

Goa College of Architecture.

Padre Conceicao College of Engineering, Verna.

Government Polytechnic, Curchorem.

Agnel Polytechnic, Verna.

Institute of Shipbuilding Technology, Vasco.

Guardian Angel Institute of Hotel Management & Catering Tech., Curchorem.

Agnel Institute of Food Crafts & Culinary Sciences, Verna.

5. Commencement and duration of the Scheme.—

5.1. To incentivise the enrolment in Technical courses, the scheme shall be applicable to all the eligible students enrolled in the above listed technical institutions (Degree/Diploma) in the State of Goa, from the academic year 2021-2022.

5.2. The scheme shall be implemented for 04 (four) years.

This Notification is issued with the approval of the Government and concurrence

of Finance (Exp.) Department vide U. O. No. 1895/F dated 21-05-2021.

By order and in the name of Governor of Goa.
